

Full warranty policy details are available at eyedro.com

Eyedro Green Solutions Inc. warrants this product for a period of one year from date of purchase for all defects in material and workmanship. Defective parts may be repaired or replaced, at the discretion of the manufacturer, during this period.

Limited One Year Warranty

Visit eyedro.com for any questions or comments. We value your feedback.

Installation may require the cover of the main electrical panel to be removed while some wires are still electrified. Even when the main breaker has been turned 'OFF' certain areas of the panel may still be dangerous and carry the risk of shock, burn, and electrocution. Installation should be performed by a qualified electrician. DO NOT attempt installation unless you know where electrified areas within the panel are.

This insert provides very high level installation instructions. Complete installation instructions and video can be found in the Product Manual located at eyedro.com/support

Before Getting Started

Quick Start Guide

Wireless Expansion Module (EBWXS*)

1. Verify Package Contents

QTY/LENGTH	DESCRIPTION
A 1	Eyedro Sensor Module
